Custom made appliance approved for release by: Signature: _____ Date: _____

Your attention is drawn to the following statement: This is a custom-made medical device that has been manufactured to satisfy the design characteristics and properties specified by the prescriber for the above-named patient. This medical device is intended for exclusive use by this patient and conforms to the general safety and performance requirements specified in Annex I of the Medical Devices Regulations. To enable our dental laboratory to comply with the Medical Devices Regulations for Post Market surveillance patients should direct any queries regarding the fit or performance of this appliance to the prescribing dentist. This statement does not apply to medical devices that have been repaired and/or refurbished for an individual patient's use.
